The wealthy Volpone <the Fox>, and his clever servant, Mosca <the Gadfly>, are playing an entertaining game of deceit with three "friends" who each hope to be the one to inherit Volpone's riches. Volpone pretends to be on the verge of death and Mosca urges the three to shower both of them with gifts in hopes of gaining Volpone's favor, and soon, his money. The plot takes many twists and turns, but the real fun is Volpone and Mosca and a host of characters all trying to deceive each other, and being deceived in turn.
